1. These data are provisional and subject to change.

2. The personnel listed as VSI and SI may also appear in the UK field hospital admissions and Aeromed Evacuations data.

3. The admissions data contain UK personnel admitted to any Field Hospital, whether operated by UK or Coalition Medical Facilities.

4. Civilians are not included in the figures previous to 01/01/2006.

5. The VSI and SI injury data includes records classified as 'Other Causes'. This classification is used when there is insufficient information to attribute a casualty to injury or natural cause.
